FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST DECEMEBER, 2020 STEERING COMMITTEE'S REPORT

The members of the Centre's Steering Committee present herewith their Report and the Financial Statements of the Centre for the year ended 31st December, 2020 report thereon as follows:

STEERING COMMITTEE RESPONSIBILITY STATEMENT

FINANCIAL PERFORMANCE AND ACCUMULATED FUND

The Centre's Steering Committee are responsible for the preparation and fair presentation of the Financial Statements, comprising the Statement of Financial Position as at 31st December, 2020, the Income Statement, Statement of Changes in Accumulated Fund and Statement of Cash Flows for the year then ended and the Notes to the Financial Statements, which include a summary of significant accounting policies and other explanatory notes in accordance with the University of Energy and Natural Resources Act, 2011 (Act 830) and Generally Accepted Accounting Principles (GAAP) and in the manner required by the Public Financial Management Act, 2016 (Act 921).

The Centre's Centre's Steering Committee's responsibilities include: designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of Financial Statements that are free from material misstatement whether due to fraud or error, making, selecting and applying appropriate policies and accounting estimates that are reasonable in the circumstances.

The Centre's Steering Committee have assessed the University's ability to continue as a going concern and have no reason to believe the Centre will not be a going concern in the years ahead.

The results are summarised as follows:

The surplus for the year ended is ______ 377,773

APPROVAL OF THE FINANCIAL STATEMENTS

The Audited Financial Statements of the Centre as indicated above were approved by the Centre's Steering Committee on the date stated below.

The Centre's Steering Committee have assessed the Centre's ability to exist for the duration of the Project and have no reason to believe otherwise.

FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST DECEMEBER, 2020 INDEPENDENT AUDITORS' REPORT TO THE STEERING COMMITTEE

Opinion

We have audited the Financial Statements of Regional Centre for Energy and Environmental Sustainability (RCEES, UENR) comprising the Statement of Financial Position, Statement of Income, Statement of Changes in Accumulated Fund, Statement of Cash Flows and Notes to the Financial Statements. These have been prepared under the historical cost convention as modified in appropriate items by the fair value module in compliance with the University of Energy and Natural Resources Act, 2011 (Act 830), Public Financial Management Act, 2016 (Act 921) and the Accounting Policies set out on Pages 10-14.

In our opinion, the accompanying Financial Statements, in all material respects, give a true and fair view of the Centre's Financial Position as at December 31, 2020, and of its Financial Performance and Cash Flows for the year then ended in accordance with the University of Energy and Natural Resources Act, 2011 (Act 830), the Public Financial Managment Act 2016 (Act 921), the Cash Basis of accounting International Public Accounting Standards (IPSAs) and Generally Accepted Accounting Principles (GAAP).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of RCEES in accordance with the ethical requirements that are relevant to our audit of the Financial Statements in Ghana, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Steering Committee for the Financial Statements

The Steering Committee of RCEES is responsible for the preparation of the Financial Statements in accordance with the University of Energy and Natural Resources Act, 2011 (Act 830), the Financial Operations Policies and Procedures Manual of the Centre, the Public Financial Management Act 2016 (Act 921), the Cash Basis of accounting International Public Accounting Standards (IPSAs)and Generally Accepted Accounting Principles (GAAP) and for such internal control as the Centre's Steering Committee of RCEES determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error. In preparing the Financial Statements, the Centre's Steering Committee of the Centre is responsible for assessing RCEES's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Centre's Steering Committee either intends to liquidate RCEES or to cease operations, or has no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Audit (ISAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with International Standards on Audit (ISAs), we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2 Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RCEES's internal control.
- 3 Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on RCEES's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause RCEES to cease to continue as a going concern.
- 5 Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6 Obtain sufficient appropriate audit evidence regarding the financial information of the entity's or business activities within RCEES to express an opinion on the Financial Statements. We are responsible for the direction, supervision and performance of RCEES audit. We remain solely responsible for our audit opinion. We communicate with the Centre's Steering Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements In compliance with other Legal Requirements

- 1 Proper books of account have been kept by the Centre as appears from the examination of those books and proper returns adequate for the purposes of our audit have been received by us.
- We have obtained all information and explanations which we considered necessary for the performance of the audit.
- 3 The Statement of Financial Position and the Income Statement are in agreement with the books.

FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST DECEMEBER, 2020 NOTES TO THE FINANCIAL STATEMENTS

1 ACCOUNTING POLICIES

a) The Financial Statements have been prepared under the historical cost convention, in compliance with the Cash Basis of accounting International Public Accounting Standards (IPSAs) and where required fully disclosed in accordance with Generally Accepted Accounting Principles (GAAP).

2) BASIS OF PREPARATION

a) Basis of Measurement and Statement of Compliance

The Financial statements have been prepared under the historical cost convention.

b) Functional and Presentational Currency

The Financial Statements are presented in United States Dollar (\$) which is the presentation functional currency of the Project.

c) Foreign Currency Translation

Transactions during the year are converted into USD at the average rate for the year. Assets and Liabilities that are expressed in other currencies are translated to USD at the rates prevailing at the period end.

d) Use of Estimates and Judgement

The preparation of Financial Statements, requires Management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

3) SIGNIFICANT OF ACCOUNTING POLICIES

a) Grant Recognition

Grants from the World Bank are recognized in the year in which they are received.

b) Expenditure

Revenue Expenditures have been treated on cash basis basis.

c) Non-Current Assets

All non-current assets acquired during the year are treated as revenue expenditure and wrritten off in the year acquired.

d) Employees Benefit

Salaries and Wages payable to employees are recognised as an expense in the Statement of Comprehensive Income at the gross amount. The Centre contributes 13.% of employees' basic salary to a defined staturtory contribution scheme Social Security and National Insurance Trust SSNIT for employees pension. The pension liabilities and obligations, therefore rest with SSNIT.

e) Cash and Cash Equivalents

Cash and Cash Equivalent are bank and cash balances and are carried at the armotized cost in Statement of Financial

f) Events After the Reporting Period

Events subsequent to the date of the Financial Position are reflected only to the extent that they relate directly to the Financial Statements and the effect is material.

4) FINANCIAL INSTRUMENTS CATEGORISATION, INITIAL RECOGNITION AND SUBSEQUENT MEASUREMENT

a) Categorisation

The Centre classifies its Financial Assets in the following categories: Financial Assets at fair value through Profit or Loss; Financial Assets measured at amortised cost; and Financial Assets measured at fair value through Other Comprehensive Income

b) Date of Recognition

Purchases and sale of Financial Assets are recognised on the transaction date.

c) Initial Recognition of Financial Instruments

Financial Instruments are initially recognised at their fair value plus, in the case of Financial Assets or Financial Liabilities not at fair value through Profit and Loss, transaction costs that are directly attributable to the acquisition or issue of the Financial Asset or Financial Liability.

d) Subsequent Measurement of Financial Instruments

i. Financial Assets at Fair Value Through Profit or Loss

A Financial Asset at fair value through Profit or Loss is a Financial Asset that meets either of the following conditions.

ii. Held for Trading

A Financial Asset is classified as held for trading if it is acquired principally for the purpose of selling in the near future, or is part of a portfolio of identified financial instruments that are managed together and for which there is evidence of a recent actual pattern of short-term profit-taking.

iii. Designated at Fair Value through Profit or Loss

Upon initial recognition as Financial Asset, it is designated as at fair value through Profit or Loss. Financial Assets at fair value through Profit or Loss are measured at fair value subsequent to initial recognition. Gains or losses upon subsequent measurement are treated in Profit or Loss.

e) Financial Assets Measured at Amortised Cost

A Financial Asset is measured at amortised cost if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows.

Financial liabilities are classified as non-trading, held for trading or designated as at fair value through Profit or Loss. Non-trading liabilities are measured subsequent to initial recognition at amortised cost applying the effective interest method. Held for trading liabilities or liabilities designated as at fair value through Profit or Loss, are measured at fair value. All Financial Liabilities shown in the Statement of Financial Position are non-trading liabilities.

f) Determination of Fair Value of Financial Instruments

i. Availability of Active Market

The fair value of a Financial Instrument traded in active markets such as the Ghana Stock Exchange (GSE) at the reporting date is based on its quoted market price without any deduction of transaction costs.

ii. Non-Availability of Active Market

Equity investments that do not have a quoted market price in an active market and whose fair value cannot be reliably measured are measured at cost. Investments whose fair value can be reliably measured are measured professionally through the use of valuation techniques.

iii. Short-Term Receivables

The fair value of Short-Term Receivables approximate book value and are measured as such.

g) Derecognition of financial assets and liabilities

A Financial Asset or a portion thereof, is derecognised when the company's rights to cash flows has expired or when the company has transferred its rights to cash flows relating to the Financial Assets, including the transfer of substantially all the risks and rewards associated with the Financial Assets or when control over the Financial Assets has passed.

A Financial Liability is derecognised when the obligation is discharged, cancelled or has expired.

h) Impairment of financial assets

i. Framework for measuring impairment of financial assets

At each reporting date the company assesses whether, as a result of one or more events occurring after initial recognition, there is objective evidence that a Financial Asset or a group of Financial Assets has become impaired.
