OUR REF. CeGRI/101 SF. 4/2025

MEMORANDUM

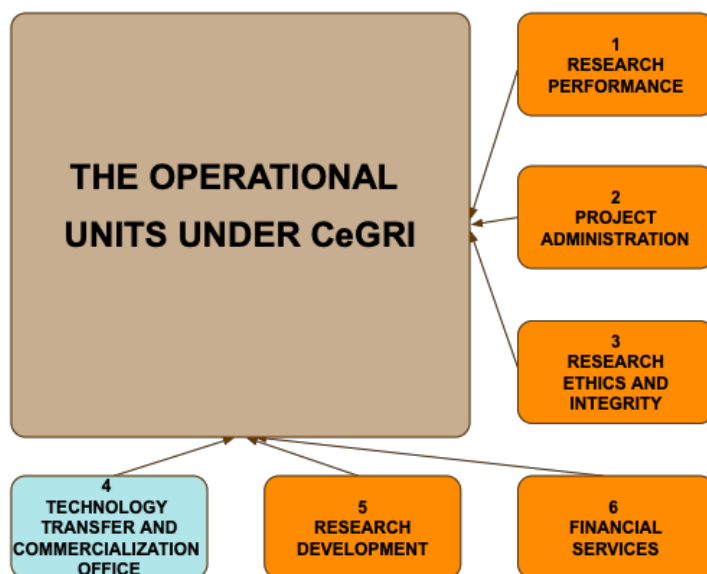

FROM : HEAD, CeGRI 

TO : THE PROJECT MANAGER, ACE IMPACT PROJECT, AAU

DATE : MARCH 3, 2025

SUBJECT : STRUCTURE OF CeGRI AND THE TECHNOLOGY TRANSFER AND COMMERCIALIZATION OFFICE

I am pleased to confirm the approved structure of the Technology Transfer and Commercialization Office (TTCO) as part of our institutional framework, integrated into the Centre for Grants, Research and Innovation, to facilitate innovation, intellectual property management, and industry collaboration. The TTCO is structured to ensure efficient technology transfer and commercialization, supporting research outputs with practical applications.

Should you require any further clarification, please do not hesitate to reach out.
